

J5710E3

RM 2.0

HIGHLIGHTS

- Productive lateral branches, even under stress observations
- Some frog-eye tolerance
- Rugged plant type for a variety of environments
- Use moderate populations in high yield environments to help manage height and SWM risk

Flower	Purple
Pubescence Color	Gray
Pod Color	Brown
Hilum	Imperfect Black
Height	Medium-Tall
Type	Intermediate

Iron Chlorosis	Above Average
Phytophthora Race Tolerance	Rps1k
Phytophthora Field Tolerance	Good
Brown Stem Rot	Excellent
Soybean White Mold	Above Average
Soybean Sudden Death	Good
SCN Marker	PI 88788
SCN Race	Rs, MR14

HERBICIDE TOLERANCE

Glyphosate	Yes
Glufosinate	Yes
Dicamba	No
2,4-D	Yes

Emergence	Excellent
Standability	Good
Shatter	N/A
Stress	Very Good
